1. The attached revision of [REDACTED] is submitted for authentication. Upon receipt of such authentication proposed Notice [REDACTED] will be canceled.

2. The revised [REDACTED] varies from the existing regulation in that paragraphs 3c(1)(b) and (c) and 7b(5) have been added.

STATINTL

3. Paragraphs 3c(1)(b) and (c) have been added to incorporate the procedures prescribed in proposed Notice [REDACTED]. This notice has been authenticated but publication has been held up because the procedures appear to be permanent in nature and therefore regulatory rather than notice material. Cancellation of the notice and incorporation of the procedures in the revised [REDACTED] has the concurrence of the Director of Logistics.

STATINTL

4. Paragraph 7b(5) was initiated by the Chief, Project Administrative Planning Staff in order to define the authority required to drop accountability for equipment and supplies [REDACTED]. Coordination of this change has been effected with and concurrences obtained from the Deputy Director (Plans), Deputy Director (Intelligence), Inspector General, and Chiefs of Staffs and Directors of Offices under jurisdiction of the Deputy Director (Support).
